Ceremonial May 2, 2015

Selama Grotto #147 was opened on May 2, 2015 for the purpose of conducting a Ceremonial for Tom Carter.

Present were eight officers, one member and twelve prophets from Zendah and Samoor Grottoes and one initiate.

There was an excellent presentation of the four act drama.

Everyone did a great job.

The drama was enjoyed by all present.

The Ceremonial was preceded by a social gathering and greeting including donuts and coffee.

It was followed by a light lunch of sandwiches and chips.

Respectfully submitted,

Bruce Ward , PM, Secretary
